

Kisumu Campus Primary School,
Rabbit Group Boys (C).
P.O. Box 408,
Kisumu Kenya.

Dear Comrades,

Hi, how pleased we are to write this precious message to you. We are very much pleased that we are going to discuss with you about the deadly disease called HIV/AIDS.

Our group members are: Alex, Clinton, Dennis, Fred, Geoffrey, Ian, Joel, Kelvin, Lameck, Seth, Vincent, Wesley, Jeremiah, Herbert and Sydney.

HIV has been a deadly and a strategic disease since the 19th century. There is nobody who does not want this deadly disease to be swept away from this planet earth.

We Kenyans hope to eradicate this disease that is written all over the face of the world. We know that if we remain united, all the time, we can eradicate this disease.

We Kenyans believe that if this discussions about HIV/AIDS spreads globally, everyone will know about this disease and finally the disease will be crushed. That is why we are happy that we are going to have this discussions with you.

As we do this, we hope and pray that this fatal disease will finally be wiped off the surface of the earth. If this happens, we will have a very bright and sparkling future ahead of us tomorrow.

Group Leader: 
Alex

Cordially yours
Group (C) Boys.

KISII KENYA.

Dear pals in Italy,

Receive our deep heart felt felicitations hoping and trusting that you are pushing and shoving on well with life, we are also fine. The girls in Rabbit group are: Brenda, Bridgette, Emily, Esther, Jennifer, Joy, Lenah, Lillian, Lyvia and Nancy.

Our hobbies are swimming, reading stories, travelling and meeting new friends.

Remember that we ~~want~~ have a HIV free future life and we are trying our best to eradicate such a dangerous epidemic so try your best pals.

For us, we are on with our discussions and through our interactions we are to benefit a lot.

In this session, we are to accomplish our mission in helping us and the other people live a free future life. We are all active for we hope for the best. Otherwise, good luck.

Yours cordially

Ruth

Rabbit group (girls)
